Scene One

The Don's BATHROOM, befitting Caesar. SOL

attendants -the GOLDDIGGERS showgirls –  
ready the Don's Turkish bath.

FLAM

Beats me how that short one got hired.

CANNAFORD

You don't know? . . . Donnyboy hired her. Rumor has it she's heir to the Allmart fortune. That would buy a lot of casinos and golf resorts. (offstage trumpet fanfare)  
Here he comes. Wanna bet he'll veto again?

FLAM

What's it been, a week? You're on for two Lincolns.

CANNAFORD

You're gonna lose. He's like Hoffa – he didn't like to get wet either.  
(THEY stand at attention and avert their gaze. GOLDDIGGER 1 enters and blows trumpet. GOLDDIGGERS, with double dollar sign headpieces, in a trumped-up goose walk, heads averted – hands like a sideways salute – march in , preceding THE DON, in a curtained sedan chair with two speakers, pulled by PEDRO.)
